Take action!

SUSTAINABLE DEVELOPMENT GOALS

Teaching and Learning:

1. News from the UN Action Campaign: sdgactioncampaign.org/

The UN SDG Action Campaign:

- Encourage popular ownership of SDGs in every country
- Engage stakeholders in implementation
- Sponsor citizen-driven processes to monitor progress and drive accountability

2. Find in the App-Store the **'Global Goals by Global Citizens' App** with videos, data, ideas and inspiration for each goal!

3. **The 'Teach SDGs' Project** www.teachsdgs.org

The Global Goals Educator Task Force was assembled to advance and strengthen the work of the United Nations in its efforts to transform our world and meet the 2030 Agenda for Sustainable Development. Through research, advocacy, and mobilization to meet the call to action of the Sustainable Development Goals, the Task Force will work to amplify and support the voice of the educator as a contributing member in partnership and alliance to make positive change for people and planet through educational initiatives.

Economy and the SDG's:

International Strategies:

6. **CBSS: Baltic 2030 Action Plan approved by foreign ministers!**

The "Baltic 2030 Action Plan: Realizing the Vision" has been approved by the Ministers of Foreign Affairs of the Baltic Sea Region and a representative of the EU on 20th June 2011 in Reykjavik!

Baltic Action Plan: [Baltic-2030-AP-approved-by-the-CBSS-Foreign-Ministers.pdf](#)

The Reykjavik Declaration: [The-Reykjavik-Declaration.pdf](#)

The approval of the Baltic 2030 is a very important landmark for the CBSS and the whole Baltic Sea region as it provides a strategic framework for future collaboration between the countries and the BSR stakeholders in order to achieve the 2030 Agenda and SDGs in the Baltic Sea region.
